About Us

Lisa Fisher Associates provides customized training and tools for a variety of Business Entities and Solo Entrepreneurs that are looking to strengthen their leadership, enhance customer service and create a culture no one wants to leave.

“Lisa came in and helped my team overcome their limiting beliefs around the ability to achieve our BIG goals. She took us through exercises that helped us develop strategies that brought clarity around our priorities and narrowed our focus to the activities that will give us the results we are looking for.”

Karen
